To Whom It May Concern

I have known Micheal O'Brien for over 20 years. As his friend and colleague I have followed his progress with interest and come to know the many positive qualities that define Micheal.

He is a motivated and hard working gentleman who has achieved well. His commitment and dedication were evident in his involvement in a number of charity organizations for which I am on the Board of Directors.

In my personal interactions with Micheal I have been impressed by his strong communication skills and his ability to establish a comfortable rapport with others.

He comes across as confident and mature. His popularity among a diverse range of communities is testament to both his interpersonal skills and loyalty.

I am confident that Micheal's skills and abilities would be a valuable asset to any organization and I highly recommend him for his intelligence, trust, dedication and loyalty.

Sincerely

Donato Di Matteo

President
